

Welcome to Fraser Dawbarns

The majority of us need expert legal advice at some stage in our lives. The issues are often to do with getting a divorce, buying a house or making a will. But you might also need help if you are running a business, helping an elderly person with their finances or setting up home with a partner. The law can be complicated so it is important to get advice from a team of experts like ourselves so you know exactly how it will affect you.

GETTING THE RIGHT LEGAL ADVICE

We offer advice on most legal matters affecting individuals and businesses. As a large firm with over 100 employees we have specialist solicitors in company and commercial law, employment law and dispute resolution, property, wills and trusts, property law and family law. This means we can handle most of your legal matters without you having to go elsewhere.

If we cannot help you with a specific matter, we

will be happy to refer you to another solicitor or get the advice from a specialist on your behalf.

As solicitors, we are authorised and regulated by the Solicitors Regulation Authority, the independent regulator which sets the rules that all solicitors have to follow. This guarantees that we are qualified to advise you on legal matters and carry insurance to protect you if anything goes wrong.

With offices in Wisbech, King's Lynn, Downham Market, March and Ely we are ideally situated to serve the community of Fenland and West Norfolk. If you wish to meet one of our lawyers simply phone or email for an appointment and reduce your travel time by visiting our nearest office.

OUR CHARGES

We provide an estimate of the costs and fees involved when taking on a new matter so you avoid any unpleasant surprises later on. We keep you informed of costs as the work proceeds so you know exactly where you are.

For some legal work where we know how much of our time will be needed, such as divorce, buying a house, or drafting a will, we offer fixed prices. This gives you the peace of mind of knowing exactly how much things will cost at the outset.

In some cases, Fraser Dawbarns will also offer pricing options so that you can tailor the service and cost to your individual circumstances.
